

PORTFOLIO DIVERSIFICATION

Since 2001, Argus has been a preeminent sponsor of §1031 Tenant-in-Common real estate investments.

In 2004, Argus expanded their services to include additional real estate investment offerings to include note and realty funds.

These additions round out a product line that can fulfill all your clients real estate investment needs. Argus has the financial strength, expertise and experience to be your clients real estate investment company of choice.
